Target version:	Spent time: 0.00 hour
Description I can't see the package smybol and build artefacts for maven multo moduel projects, We don't build the modules istelf but the multi module project, which das no one artefacts.	

History

#1 - 07/28/2013 12:46 PM - Toshiyuki Ando

thanks for your report.
maybe, Jenkins changed rss format.

i'll fixed it.
