Description	
How can I use the plugin to sort the issues by some attribute, for example, sort by issue_id desc.	
Is there any parameter or operator to be used in the macro? Thanks.

Sorry.
There are no parameters of the sort function.
How about that use the custom query.

#2 - 09/23/2016 03:31 PM - Steven Wong

I see, for I always used the some customize search, and if use custom query, it would be so much.

Could you give an some extension about the feature in the macro. Thanks.

Tomohisa Kusakawa :

Sorry.
There are no parameters of the sort function.
How about that use the custom query.
