<b>Target version:</b>	
<b>Description</b>	
How can I use the plugin to sort the issues by some attribute, for example, sort by issue_id desc.	
Is there any parameter or operator to be used in the macro? Thanks.

- Assignee changed from Tomohisa Kusakawa to Steven Wong

Sorry.  
There are no parameters of the sort function.  
How about that use the custom query.

##### #2 - 09/23/2016 03:31 PM - Steven Wong

I see, for I always used the some customize search, and if use custom query, it would be so much.

Could you give an some extension about the feature in the macro. Thanks.
